
AGFA HealthCare Receives Cybersecurity Transparent Leader Award from Censinet

At HIMSS 2024, AGFA HealthCare was delighted to receive the **Cybersecurity Transparent Leader Award**, issued by [Censinet](#). This marks the fourth consecutive year we have been honoured to receive the accolade, a testament to our unwavering commitment to raising the bar in cybersecurity and risk management in the health IT industry.

Since 2021, AGFA HealthCare has been one of the pioneers in this cybersecurity evaluation. We are proud to have been designated as Cybersecurity Transparent Leader – this award underscores our company's dedication to transparency and continuous improvement in cybersecurity maturity. This award also validates our commitment to supporting customers in the delivery of safe and secure patient care.

Congratulations and well done to #TeamAGFA – leading the way in cybersecurity!
