CARS 2013 Invites you to Heidelberg

□

The Computer Assisted Radiology and Surgery (CARS) congress is the yearly event for scientists, engineers and physicians to present and discuss the key innovations that shape modern medicine on a worldwide basis.

The 27th International Congress and Exhibition on Computer Assisted Radiology Congress Organizing Committee will be held in Heidelberg, Germany from 26 - 29 June 2013. This annual event enables scientists, engineers and physicians to present and discuss the key innovations that shape modern medicine.

At CARS you will have the opportunity to meet scholars and practising experts in the fields of radiology, surgery, engineering, informatics and healthcare management. The preliminary programme is now available.
