
Hill-Rom Appoints Dr. Dirk Ehlers New President, Trumpf Medical

Enhancing Outcomes for Patients and Their Caregivers.™

Hill-Rom Holdings, Inc. (NYSE:[HRC](#)) announced the appointment of Dr. Dirk Ehlers as President, Trumpf Medical.

Before joining Hill-Rom, Ehlers, 54, was President and Chief Executive Officer of Eppendorf, a life science tools company, based in Germany. Prior to Eppendorf, Ehlers served as the Head of Professional Diagnostics with Roche Diagnostics, based in Switzerland. Earlier in his career, Ehlers spent six years as Chief Financial Officer and Business Unit Head for Evotec AG, a public contract research and biotech company.

"I'm thrilled Dr. Ehlers has joined Hill-Rom to lead Trumpf Medical," said Taylor Smith, President of Hill-Rom's Surgical and Respiratory Care division, which includes Trumpf Medical among many other industry-leading surgical brands. "With Dirk's 20-plus years of experience, outstanding track record and deep understanding of international markets, I am confident Trumpf Medical will continue its growth for many years to come."

Ehlers is located at Hill-Rom's Puchheim, Germany office.
