An ICU Management staffer is now the proud owner of a “Cappuccino with Claudio Ronco” badge. We caught up with Prof. Ronco at the recent European Society of Intensive Care Medicine Congress in Barcelona. With smartphones and tablets being ubiquitous amongst physicians, Prof. Ronco’s YouTube channel offers short discussions of important topics in critical care. He even found time to talk to [Prof. Jean-Louis Vincent](#), ICU Management’s Editor-in-Chief at ISICEM this year.

So make your coffee, pull up the YouTube video of your choice, and enjoy. But be warned, some of the beautiful locations Professor Ronco visits may be a little distracting....
