Ignacio Martinez Soriano

Mr Ignacio Martinez Soriano, MD

*****@**carm.es

Data Scientist

[LinkedIn](#) [Twitter](#)

Data Scientist, Hospital UNI VERSITARIO Rafael Méndez, Lorca, Spain

□

Data is here so search for its insights. Don't focus on the problem, look for the solution. To do this we need to have a hackers' spirit and the pride to overcome challenges

Career Highlight:

When I went from Management Chief of IT to being a data scientist and discovered the power of the data and machine learning.
