

ISICEM 2013 - Scientific Exhibition

The exhibition area of **ISICEM** covers some 4,000 m² with 127 stalls and companies from all over the world will display the latest in medical and scientific equipment, pharmaceutical products, books and services related to intensive care and emergency medicine. Participants are invited to browse through the stands and get their hands on the latest innovations in the field.

- Internet corners within the Exhibition Halls will also be available to the participants;
- A Photo corner;
- A chocolate fountain; and
- Plenty of green apples as a refreshment.

The exhibition opening times are:

- Wednesday, March 20 (10:00-17:00)
- Thursday, March 21 (10:00-17:00)
- Friday, March 22 (09:00-13:30)
