Jeffery Schaefer – New Group Business Development Manager, Healthcare at Avanade

Jeffery Schaefer is the new Group Business Development Manager at Avanade. He has over twenty years of experience in healthcare with senior executive experience in biopharma, information technology, management consulting, project management, business development and clinical operations. Schaefer has worked with several Fortune 100 Companies including Siemens Healthcare, Microsoft Corporation, Cerner Corporation, and GE Healthcare.

Over the years, he has worked with different clients and healthcare providers to increase value by empowering them on their journey towards expanding precision medicine, transforming care delivery, and improving patient experience, all enabled by digitalising healthcare.
