
Siemens Healthineers Shape 22 Keynote - It's Time to Team Up!

On November 15, Siemens Healthineers CEO Bernd Montag will host the @SiemensHealth Shape 22 Keynote. This is an annual signature event organised by Siemens Healthineers. The goal is to present inspiring ideas and novel practices in healthcare. The event provides the platform to bring together a global audience of leading physicians, healthcare executives and industry experts.

Fighting any disease is a team event. From COVID-19 to cancer, it can't be done alone. Siemens Healthineers will present inspiring ideas for healthcare and unveil breakthrough innovations in imaging, lab technology and AI and how the company plans to bring cancer care to the next level as one team. The goal is to ensure that as many people as possible receive the best treatment. In the words of Bernd Montag, Siemens Healthineers is ready to team up!

There is no registration required for the event, and participation is free. Mark your calendars and don't miss the virtual Shape 22 Keynote, November 15, 4:00 pm CET.
