
The GIANT Health Event 2021. Early bird tickets on sale now

Europe's greatest festival of Health Tech Innovation | 30th Nov - 1st Dec 2021

Join us at GIANT this year and immerse yourself in Europe's greatest festival of healthcare innovation. Find inspiration from global leading innovators, and discover the advances in technology that are revolutionizing healthcare provision.

GIANT 2021 is set to be our biggest event yet so don't miss out. GIANT Health event is an invaluable, cost-effective global hybrid event. Combining both a real-world physical trade show and multiple conferences in central London, as well as a sophisticated and engaging virtual event based on GIANT Health's proprietary Virtual Event Platform.

Learn more about Digital Therapeutics. Would you like to network with 1000s and 1000s of Europe's leading healthcare and technology innovators, hospital leaders, health-sector investors, and entrepreneurs? Over 400 speakers will convene in 15+ conference at the massive GIANT Health Event, 30 November - 1 December, 2021.

Come join us in person or remotely. Early Bird tickets are now available.
