
Top Ten Radiology Schools in the World

U.S. News and World Report recently released its rankings for the top 200-ranked radiology schools worldwide. The top three schools are Harvard University, Stanford University, and King's College London.

Ranking for the top ten universities for Radiology, Nuclear Medicine and Medical Imaging in the world they are below, with four located in the USA and three in the UK:

1. Harvard University, Cambridge, MA USA
2. Stanford University, Stanford, CA USA
3. Kings College London, London, UK
4. Radboud University Nijmegen, Nijmegen, Netherlands
5. University College London, London, UK
6. Johns Hopkins University, Baltimore, MD USA
7. Heidelberg University, Heidelberg, Germany
8. Imperial College London, London, UK
9. University of Toronto, Toronto, Canada
10. University of California, San Francisco, San Francisco, CA USA

Subject-specific rankings are based on academic research performance in those subjects. Clarivate provided subject rankings based on Web of Science's bibliometric data from 2015-2019. These include content and citation indicators.
