
Trey Lauderdale Assumes Board Member Role at Atlas Lift Tech

Renowned tech investor, advisor, and executive Trey Lauderdale has assumed a pivotal role as a Board Member at Atlas Lift Tech, effective October 2023. Specialising in mobility solutions, Atlas Lift Tech uniquely integrates real-time data tracking hardware, software, and on-site Mobility Technicians within hospital settings, thereby revolutionising patient care.

Lauderdale brings a wealth of experience, previously serving as a Board Member at Title21 Health Solutions, a pioneering force in QA software for cell and gene therapy. His multifaceted role as advisor, investor, and Board Member at Telebelly Health underscores his commitment to shaping transformative ventures within the healthcare sector.
